NAMES OF PARTIES

Representing the Employer	Representing the Workmen
1. Thomas Jacob, Proprietor, M/s. Techno Engineering Corporation, Margao.	1. Mr. S. N. George, Jt. Secretary, Goa Trade & Commer- cial Worker's Union.

SHORT RECITAL OF THE CASE

The Goa Trade & Commercial Workers' Union (hereinafter referred to as the "Union") submitted a 15 point charter of Demands on M/s Techno Engineering Corporation, Margao, (hereinafter referred to as the "Employer") on behalf of their workman by the Union's letter no. LT/Techno Engineering/Charter/02/83 dated 25-10-83, demanding a revision in wages, allowances, leave, etc. Discussions between the representatives of the Employer & the Union were held before the Assistant Labour Commissioner at Margao when the Representative of the Employer, expressed the Employer's inability to accede to the Union's Demands, due to the losses being incurred by the Employer in his business mainly due to recession in the Mining Industry and a considerable decrease in the contracts being obtained by the Employer. The Representative of Employer further contended that the Employer's financial position was so bad that he would even have to close down his business. The Union's representative disagreed with the Employer's contentions and demanded that their demands must be acceded to, by the Employer. The matter was admitted in conciliation by the Assistant Labour Commissioner, Margao and as no settlement could be arrived at the Conciliation Officer submitted a failure report to the Government. Subsequently by order No. ILD-dated 7th June 84, the Government of Goa, Daman and Diu referred the Demands of the Workmen represented by the Goa Trade and Commercial Worker's Union Panaji, Goa, as mentioned in the schedule to the said order, for adjudication to the Industrial Tribunal of Goa, Daman & Diu, Panaji, Goa.

In the course of the proceedings before the Hon'ble Industrial Tribunal, the parties held mutual discussion on various occasions with a view to arrive at an amicable settlement between themselves on the dispute referred for adjudication to the Industrial Tribunal as mentioned above. At these discussions the Employer contended that his operations/business was at a stand still and that he had no Workmen working with him as some had resigned on their own, some had been retrenched & some had left their employment with the Employer by abandoning their service and that in the circumstances, and in view of his financial inability to bear any extra financial burden, the question of acceding to the Union's demand was impossible. While the Union's representatives accepted the fact that the Employer's operations/business was at a stand still and that he had no workers working with him at the present, he contended that revision in the wages & other benefits was necessary at least for the period that the workmen had worked with him and also as the Employer might re-start his operation/business in the future, if and when he was able to obtain contracts for executions.

After prolonged discussions on various occasions the parties finally arrived at an amicable settlement in full & final settlement of all the demands of the workmen/Union on the following terms.

TERMS OF THE SETTLEMENT:

1. It has been agreed between the parties that the Employer shall introduce the following scale of all inclusive consolidated scale of wages, to the various workmen as under with effect from 1-11-1983.

It is also agreed that the final payment made or to be made to these workmen consequent to their resignation, leaving/abandoning or being retrenched from service shall be adjusted and payment made to them accordingly.

3. It is agreed between the parties that the Employer shall effect payments arising out of clause 2 above, to the concerned workmen by Demand Draft sent by Registered A. D. to their last known address as per the Employer's records, within a month after the receipt of the Hon'ble Industrial Tribunal's Consent Award in terms of the settlement.

4. It is agreed between the parties that as and when the Employer re-starts his operations/business and he is in need of workmen, he shall give preference for Employment with him for the categories of workmen required by him in the following order.

First, to those workmen retrenched by him and whose services are needed by him. Next to those who left/abandoned services. For this purpose the Employer shall write to the concerned persons by Registered Post A. D., to their last known addresses as per his records, offering them employment with him, if they so desire. It is further agreed that if the concerned persons wish to accept the Employer's offer of employment, they should report to the Employer for work within 20 days from the date of the Employer's posting the letters offering them employment with him, failing which the Employer shall presume that the concerned persons are not interested in taking up employment with the Employer and the Employer shall be free to employ other persons as needed by him. It is also agreed that the copies of such letters sent by the Employer to the concerned person shall be forwarded to Union by Employer by Registered Post A. D.

5. It is agreed between the parties that whenever workmen are sent for work outside Margao, the actual travelling expenses shall be paid.

No fresh advance shall be given till the previous advance is cleared or recovered by the Employer.

7. It is agreed between the parties that the Employer shall grant leave with wages to the workmen in accordance with the law applicable to them from time to time.

8. It is agreed by the Union/Workmen that all the other demands which have not been dealt with or covered under this Settlement are settled as dropped.

9. It is further agreed by Union/Workmen that they shall not raise or pursue any demand involving additional financial liability/commitment on the part of the Employer during the operation of this settlement.

10. The Union/Workmen also agree that in case of any difference/dispute with the Employer on any matter, they shall not resort to direct action but shall first try to settle/resolve the difference/dispute by mutual discussion with the Employer and that if they fail to settle/resolve the difference/dispute by mutual discussions with the Employer, they shall take recourse to the machinery provided under the Industrial Disputes Act 1947, for settlement of the disputes.

11. It is agreed between the parties that this settlement shall be in force and binding on the parties for a period of 3 years commencing from 1-11-83 to 31-10-86 and shall continue to be in operation thereafter until the expiry of 2 months from the date of the receipt of a written notice by one of the parties to the other declaring its intention to terminate the settlement.

12. The parties agree to jointly submit, signed copies of the settlement to the Commissioner Labour & Employment & other concerned Authorities with a request to register the same as a settlement under the Industrial Disputes Act 1947.

13. The parties further agree to submit an Application to the Hon'ble Industrial Tribunal, Government of Goa, Daman & Diu, Panaji, Goa with a prayer to dispose of the reference No. IT/28/84, by giving a Consent Award in the terms of these settlement.
